 Comment. Part of the personnel stationed at Deutsch Wagram airfield are quartered in Deutsch Wagram. According to previous information, it is assumed that the installations mentioned were occupied as follows:

25X1

Building No 28 on Bahnhof Strasse - komendatura

Building near the school - quarters of a repair shop unit

Building No 25 on Haupt Strasse' - officers' club

Building Nos 6 - 8 on Bockfliess Gasse - headquarters and quarters

Building No 26 on Bockfliess Gasse - "Agitpunkt"

The information that the motor vehicle shed next to the house near the school was vacated and an anemometer was fitted on the roof of the installation tends to indicate that the occupation of this building was changed.
